

BALI WORKSHOP – SOUTH WALES
How to produce an award winning project

JUDGES' COMMENTS

The contractor, through the careful and skilful use of the materials to hand, has succeeded in regenerating a derelict area that would otherwise have continued to blight this community. The result of their work is a valuable and popular public space.

The BALI National Landscape Awards
Land Renewal & Regeneration Scheme Principal
Award Winner 2008

BALI Member LANDCRAFT PROJECTS discuss the design and construction of their award winning country park in South Wales.

Enjoy an escorted visit, presentations from Landcraft Projects Ltd, Mike Haire (Landscape Architect) and David Spencer (BALI Awards Judge).

Location: Mountain Ash, South Wales
Date: 24 Feb 09
Time: 3 – 7pm including soup and sandwiches

BALI welcome members & non members, members of the Landscape Institute and all who are committed to raising industry standards.

Free attendance to all.
